

Sinclair Broadcasting Corporation is making a mockery of our election laws, FCC regulations and the spirit of our country by requiring their TV stations to broadcast the Kerry-smear "documentary" Stolen Honor as "News programming."

Sinclair and its stations owe the people of this country a large debt by their free use of the airways. This attempt to circumvent the FCC's fairness regulations and unfairly influence the coming election should be stopped.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to carefully assess the record of stations. Why stations which abuse their privileged use of the airwaves need to be taken off the air.

Please do your patriotic duty and move quickly to stop Sinclair's unprecedented actions.

Thank you.
